Attorney General John Ashcroft
U.S. Department of Justice
950 Pennsylvania Avenue, NW
Washington, D.C. 20530

Dear Mr. Ashcroft:

As a yahoo Internet user I would like to voice my opinion concerning the Microsoft lawsuit. I urge you to support the settlement and encourage the various companies to get back to the business of technology research. It is my belief that millions of dollars are being spent to stifle competition when these companies should be focused on new markets and technology.

Please do what is in the best interest of consumers through out the United States and settle this costly suit.

Sincerely,
